Increasing Health Center Value

Are you Ready for the Future: Challenges/Opportunities

WHAT DOES THE FUTURE LOOK LIKE?

- Cliff in 2017/2018
- New administration – new health care agenda and new priorities
- Landscape in the country and in every state is changing?

FINANCIAL:

- How does your bottom line look?
- Are you ready for a future without large infusions to support new initiatives?
- Are you ready for alternative payment methodologies?

ENVIRONMENTAL

- Who are your friends: Collaboration
- Who do you need to get to know better: Competition
- Can you tell your story/demonstrate your impact on the health of your community?
- How are you engaging patients?
- What's the long game strategy?

Increasing Health Center Value

Thank You
