Arizona Alliance

FOR COMMUNITY HEALTH CENTERS

Primary Healthcare for All

Exhibitor/Sponsor Prospectus

More than 175 participants from health centers and partner organizations in Arizona are expected to attend the Arizona Alliance for Community Health Center's (AACHC) 2018 Annual Conference on February 6-7, 2018. This conference will highlight best practices in service delivery within health centers around the state of Arizona, current issues affecting community health centers and their patients and health center board governance training. Participants include leadership representatives from many healthcare organizations including Federally Qualified Health Centers, look-alikes, rural health centers, hospitals, IHS health centers and other safety net providers.

Target Audience

- Participants include top decision makers in health centers, hospitals and other safety net provider organizations such as finance officers, operations officers, chief executive officers, chief medical officers, health center board members and much more.
- State and federal policy makers and government officials
- State, regional and national non-profit organizations that support health centers

Why you should be a part of the AACHC Annual Conference

- Connect your products and services to AACHC members and professionals who are able to make purchasing decisions for their organization
- Increase visibility throughout the state with health centers' senior executives
- Expand your market share geographically and create regional awareness of your organization and product/service line.
- Demonstrate your commitment to the health of the underserved in Arizona
