

Oral Health Value-Based Care Training Workshop: Creating a Value Based Oral Health Care Delivery System

Black Canyon Conference Center, 9440 N. 25TH Avenue, Phoenix, AZ
Friday November 22, 2019 8:30 a.m. -4:00 p.m.

Overview:

The DentaQuest Partnership (DQP) for Oral Health Advancement in partnership with the Arizona Alliance for Community Health Centers (AACHC) is hosting this training workshop to help set the stage for value-based care readiness through person centered care and practice transformation in care delivery and payment. Our presenters and coaches are national experts in the field of oral health and are talented professionals who bring knowledge from a variety of areas related to care delivery and finance.

Training Objectives:

- Help Arizona FQHC dental programs understand their role in achieving the value-based metrics in the new encounter rate system
- Develop strategies to help FQHC dental programs in AZ facilitate better integration with primary care in order to achieve improved health outcomes for their patients.
- Identify specific dental metrics that define value for FQHC oral health programs and help ensure the metrics can be tracked and reported on.
- Demonstrate FQHCs as leaders in providing integrated, value-based care.
- Complete a Readiness Assessment to gauge FQHC readiness for payment reform in oral health.
